Papillion Days a great success!

Due to the threat of storms the
dance was held inside and the
beer garden remained outside.

We had one of our largest
crowds ever for this event, over
300 persons who were treated to
great food, music & fireworks.
Thanks to all who responded to
our request for help - the event
went as smoothly as possible

due to the efforts of our
members! Also a big thank you
to all who helped promote the
event and came to this event
with their family and friends!

Papillion Days Parade!

Over 20 members and their

wearing the latest Polish Home

Discussion & Film After the Card Party

Popiełuszko: Freedom is Within Us

The stirring, powerful true story of Blessed Jerzy (yeh zhih) Popiełuszko the courageous young priest martyr who became the chaplain of the the large trade union in Poland, Solidarity, in the 1980's. At 37 years old, Fr. Popiełuszko was brutally murdered by Communist agents for his outspoken defense of his people, and proclaiming the teachings of the Church on human rights and the dignity of the human person. Fr. Jerzy had a dynamic personality, a deep prayer life, and a strong empathy for the persecutions and sufferings of the workers and trade unionists, especially when Martial Law was declared in 1981. Murdered in 1984, beatified in 2010.
